There is a need for maximum development in farming, farmers and villages in this regard. Special works have been undertaken in Madhya Pradesh for expansion in the irrigation capacities. In previous years, we have expanded our irrigation capacities from 7.5 lakh hectare to 42 lakh hectare and NABARD has contributed significantly in achieving this objective. In the coming times, we will make effective efforts to supply water to every inch of farmers' land.

Chouhan mentioned that it is a matter of joy that approval has been given on Wednesday by the NABARD for 'Lift Irrigation' project costing Rs 1425 crore of Madhya Pradesh. In addition, it has also sanctioned loan of Rs. 4 thousand crore for other projects. For this, 'I express my gratitude to the entire team of NABARD',

 ${
m T}$  o make people realize about the importance of cleaniless, a play 'Kachra Rakshas' was presented in the Online Theatre Festival on Wednesday. The play was directed by

Ayaz Khan and was written by Alosk Sharma. The play was presented by the artists of Parivartan Rangsamooh, Gwalior. This musical play was based on the theme "Swachh Bharat Abhiyan".

Earth is distraught with the burden of waste. The public does not care about it. They are in the grip of all diseases, but are not trying to improve. Everyone is keeping their house clean and spreading dirt out. To make the earth free from dirt, Mahatma Gandhi again has to come to the earth to give people the right direction.

Gandhi's life is considered an exemplary life. He vowed to walk on the path of truth throughout his life, followed the path of lifelong truth. Mahatma Gandhi had the idea of truth in his mind which becomes the inspiration for people. Mahatma Gandhi continued to speak his thoughts freely without fear and his speech inspired everyone and later he gave freedom to the

country. He talked about cleaniless and his dream of swacch bharat. In the play, the blood-

seeds are given the shape of garbage. Garbage is completey polluting the environment. In the musical drama, the people remain ignorant of everything that is happening around. The play gives out a message of how can people contribute in Swacch Bharat Abhiyan. The play really explained the importance of cleanliness to the audience.
