government schools in Satna district to direct the students to say 'Jai Hind' during the roll-call from last October. If the experiment worked, his department would send a proposal to the chief minister to implement it across the state, he had said.

The minister further said that the national flag is being hoisted daily at government middle schools and high schools (Class 6 to 12) since last year.

been made online and computerised under the system.

An amount of Rs 35 crore has been approved for this system. All the working procedures of the department are being studied, improved and simplified through this system. This will facilitate beneficiaries not to visit office repeatedly and applicants could avail benefits of the schemes from the departmental website and internet kiosks.

Arya has appealed to applicants belonging to the scheduled tribe and caste category that they must get

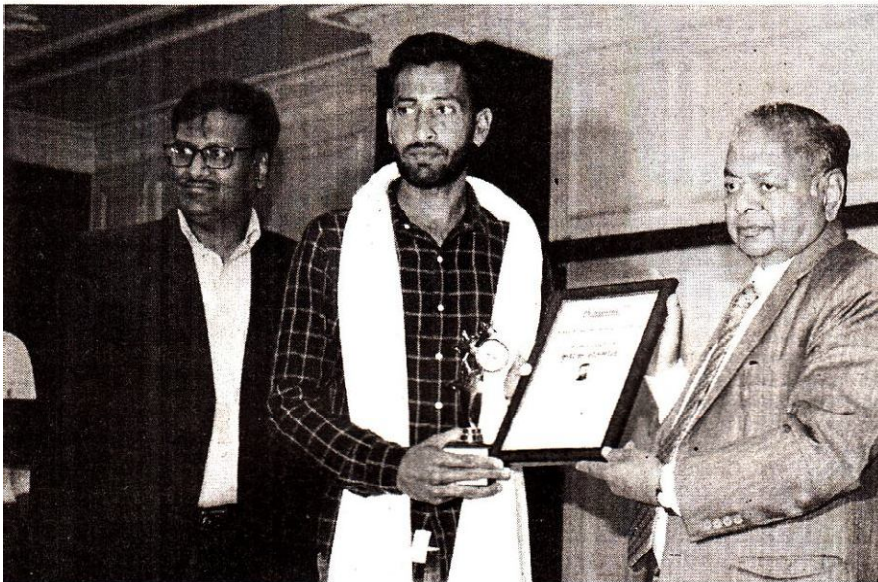

ed at Baranagar from May 10 and 470 persons have registered themselves under the system till now. Registration takes only 3 to 4 minutes. The software has been prepared with an objective to ensure benefit of various government schemes easily and transparently to beneficiaries belonging to scheduled tribe and caste of the state.

It was informed that there are few schemes, under which, it is must for beneficiary to apply separately through kiosk after the registration. For seeking admission in the hostel of the depart-

easy

ment, information about the vacant seat in all the hostels could be obtained by uploading unique ID on hostel module after the registration. Thereafter, candidate can apply online itself to seek admission in any hostel. Separate modules for schemes of the department like Pratibha Yojana, UPSC Coaching, Civil Services Protsahan, Akansha, Cycle distribution scheme and others are also being prepared.

7 MP farmers felicitated for technology use

STAFF REPORTER ■ BHOPAL

Dhanuka Agritech on Wednesday at Bhopal felicitated seven farmers of Madhya Pradesh for their continuous efforts in improving crop yield by using modern technologies.

The company also discussed various approaches which can be adapted by farmers and associated communities that will help in doubling their income. Leading agriculture scientists PS Bhatnagar and SR Sharma were also present to share their ideas for increasing yield.

Dhanuka Agritech has also launched a national level Dhanuka Innovative Agriculture Award' this year to encourage innovative and
